Why Milliman Compensation & Benefits Surveys

Stay competitive in a dynamic labor market

Changing market conditions and the heightened focus on pay equity and pay transparency are increasing the need for timely, accurate, and credible market data. Milliman's compensation & benefits surveys allow you to (1) make informed pay decisions, (2) tailor your jobs to your recruiting markets, and (3) defend your current pay practices. With our interactive survey results you can breakout the data by industry, geography, organization size, etc., or create your own peer groups.

OUR METHODOLOGY

- Milliman surveys are antitrust compliant:
 - A required minimum sample size on any data breakout maintains confidentiality
 - Results are released at least three months after the effective date of data
 - No individual employer represents more than 25% of the weighted data
- All data compiled directly from HR departments and thoroughly reviewed for errors and omissions

OUR REPORTS

- Customizable breakouts
- Online & interactive
- Includes data on base salaries, incentives, total cash, salary ranges, trends, and more
- Includes Excel, CSV, and PDF formats

Milliman surveys are:

TRUSTED

Over 35 years of experience conducting reliable & compliant surveys featuring employer provided data.

OBJECTIVE

Independent third-party, with data compiled directly from Human Resources.

COMPREHENSIVE

Data represents employers of all sizes and industries including for-profits & non-profits, public & private sectors.

COST-EFFECTIVE

Custom surveys by other providers are expensive. Milliman surveys offer granularity and specificity, at cost-effective prices.
